Governor's Cabinet

Chief of Staff

Jeff Goettman

The Chief of Staff serves as the senior aide to the Governor and is responsible for managing the day-to-day responsibilities of the Youngkin administration, ensuring that operations, staff, and activities are functioning efficiently and effectively.

Secretary of the Commonwealth

Kelly Gee

The Secretary of the Commonwealth assists the Governor in his appointments to boards and commissions; manages extraditions, clemency petitions, restoration of voting rights, and countless other certifications and filings of the Commonwealth.

Secretary of Administration

Margaret "Lyn" McDermid

The five state agencies in the Administration secretariat manage the Commonwealth's buildings and grounds, administer employee policies and benefits, oversee elections, safeguard human rights, work to improve manager-employee relations in state government, direct state funds to constitutional officers, and oversee the Commonwealth's information technology.

Secretary of Agriculture and Forestry

Matthew Lohr

The Secretariat of Agriculture and Forestry combined are Virginia's largest private sector industry. According to a 2022 economic impact study conducted by Weldon Cooper Center for Public Service at the University of Virginia, agriculture and forestry have a combined economic impact of over \$105 billion annually. Agriculture generates more than \$82.3 billion per annum, while forestry induces over \$23.6 billion. The industries also provided nearly 490,295 jobs in the Commonwealth. Agriculture and forestry are the Commonwealth's largest private industries, with a combined annual economic impact of over \$105 billion, and the health of these industries affects communities around Virginia, especially in rural areas. This office and its three agencies are committed to supporting rural economic development, preserving farmland and forestland across Virginia, and ensuring that all Virginians, especially those who are most vulnerable, have access to safe, healthy foods.

Secretary of Commerce and Trade

Caren Merrick

The Secretary of Commerce and Trade is dedicated to developing and growing an economy that works for all Virginians. Our 9 agencies are dedicated to assisting Virginians in a variety of ways, enabling them to actively contribute to our economy. We strive to utilize the great assets of Virginia to help sustain its status as the best place to live, work, and conduct business.

Secretary of Education

Aimee Rogstad Guidera

The Education Secretariat provides guidance to the Virginia Department of Education (VDOE), the Virginia Community College System (VCCS) and The State Council of Higher Education for Virginia (SCHEV), as well as Virginia's 16 public colleges and universities, 23 community colleges and five higher education and research centers. We also provide support to seven state-funded arts/cultural institutions.

Secretary of Finance

Stephen E. Cummings

The Secretary of Finance provides guidance to the four key agencies within the Finance Secretariat. These agencies handle all the financial transactions of the Commonwealth, from collecting taxes to paying bills to distributing aid to localities. Their responsibilities include: forecasting and collecting revenues, managing the Commonwealth's cash and investments, selling bonds, overseeing internal audits, making strategic financial plans, preparing and executing the Commonwealth's budget.

Secretary of Health and Human Resources

John Littel

The Secretary of Health and Human Resources oversees twelve state agencies which provide often-vital services to Virginians. Individuals with disabilities, the aging community, low-income working families, children, caregivers and the provider network are supported through the work of this Secretariat. In addition, our agencies license health practitioners and ensure safe drinking water in the Commonwealth.

Secretary of Labor

George "Bryan" Slater

The Secretary of Labor oversees a range of regional, state, and federal programs that connect Virginians to the skills, training, and opportunities they need to thrive in the 21st century economy. The advisor works closely with Virginia's labor and business communities to identify and fill vacant jobs in high demand sectors including IT, healthcare, and energy.

Secretary of Natural and Historic Resources

Travis A. Voyles

The Secretary of Natural and Historic Resources advises the Governor on natural resources issues and works to advance the Governor's top environmental priorities. The Secretary oversees five agencies that protect and restore the Commonwealth's natural and historic resources. The Secretary's office and all of the natural resources agencies work together to uphold the provisions of Article XI of the Virginia Constitution: To the end that the people have clean air, pure water, and the use and enjoyment for recreation of adequate public lands, waters, and other natural resources, it shall be the policy of the Commonwealth to conserve, develop, and utilize its natural resources, its public lands, and its historical sites and buildings. Further, it shall be the Commonwealth's policy to protect its atmosphere, lands, and waters from pollution, impairment, or destruction, for the benefit, enjoyment, and general welfare of the people of the Commonwealth.

Office of the Secretary of Public Safety and Homeland Security

Terrance C. Cole

The Secretary of Public Safety And Homeland Security enhances the quality of Virginia's citizens, visitors and businesses of the Commonwealth through public awareness, education, training, emergency response, disaster preparedness, prevention, policy development, enforcement, response, recovery and reentry.

Secretary of Transportation

W. Sheppard Miller III

The Secretary of Transportation is committed to creating and maintaining a multimodal network that connects Virginians to jobs, education, and health care across the Commonwealth and serves as the platform for Virginia's economy. Working collaboratively, we can advance this network by tying transportation decisions to economic competitiveness and identifying innovative solutions to transportation challenges. Agencies the Secretariat oversees move people and goods by rail, water, transit, and over our roadways. Our sea ports, airports, space port, bridges, tunnels, and highways serve as global gateways for the Commonwealth, opening Virginia to economic opportunity by creating access to regional, national, and world markets.

Secretary of Veterans and Defense Affairs

Craig Crenshaw

The Secretary of Veterans and Defense Affairs serves the Commonwealth in four critical ways. First, it oversees the Virginia Department of Veteran Services (DVS), whose mission is to serve Virginia's Veterans, Guardsmen, Reservists, and their family members, by ensuring they receive timely transition, employment and education assistance, benefits, health care and long-term care and recognition they have earned through service to our Nation and Commonwealth. The Secretary distinguishes and elevates issues and opportunities for Veterans and transitioning Service members in the Commonwealth of Virginia. Of primary importance are the employment, health care, and education needs of our Veterans. With the seventh-largest Veteran population in the Nation and the greatest number of Veterans in the workforce per capita, the Secretariat maintains a particular focus on employment of our newest generation of Veterans who have the current skills needed here in the Commonwealth.

Chief of Transformation

Eric Moeller

The Chief Transformation Officer leads change efforts to bring business efficiency to government bureaucracy and make government more responsive, efficient and transparent for all Virginians.

Counselor to the Governor

Richard Cullen

Chief Diversity, Opportunity, and Inclusion Officer

Martin Brown

The Authority's exercise of powers and duties conferred by this title shall be deemed the performance of an essential governmental function and a matter of public necessity for which public moneys may be spent. The Board of Directors of the Authority is vested with control of the possession, sale, transportation, distribution, and delivery of alcoholic beverages in the Commonwealth, with plenary power to prescribe and enforce regulations and conditions under which alcoholic beverages are possessed, sold, transported, distributed, and delivered, so as to prevent any corrupt, incompetent, dishonest, or unprincipled practices and to promote the health, safety, welfare, convenience, and prosperity of the people of the Commonwealth. The exercise of the powers granted by this title shall be in all respects for the benefit of the citizens of the Commonwealth and for the promotion of their safety, health, welfare, and convenience. No part of the assets or net earnings of the Authority shall inure to the benefit of, or be distributable to, any private individual, except that reasonable compensation may be paid for services rendered to or for the Authority affecting one or more of its purposes, and benefits may be conferred that are in conformity with said purposes, and no private individual shall be entitled to share in the distribution of any of the corporate assets on dissolution of the Authority.

B. The Virginia Alcoholic Beverage Control Authority shall consist of the Virginia Alcoholic Beverage Control Board of Directors, the Chief Executive Officer, and the agents and employees of the Authority. The Virginia Alcoholic Beverage Control Authority shall be deemed successor in interest to the Department of Alcoholic Beverage Control and the Alcoholic Beverage Control Board. C. Appointees shall be subject to a background check in accordance with Â§ 4.1-101.03.

After the initial staggering of terms, members shall be appointed for a term of five years. All members shall serve until their successors are appointed. Any appointment to fill a vacancy shall be for the unexpired term. No member appointed by the Governor shall be eligible to serve more than two consecutive terms; however, a member appointed to fill a vacancy may serve two additional consecutive terms. Members of the Board may be removed from office by the Governor for cause, including the improper use of its police powers, malfeasance, misfeasance, incompetence, misconduct, neglect of duty, absenteeism, conflict of interests, failure to carry out the policies of the Commonwealth as established in the Constitution or by the General Assembly, or refusal to carry out a lawful directive of the Governor. The Governor shall appoint the chairman and vice-chairman of the Board from among the membership of the Board. The Board may elect other subordinate officers, who need not be members of the Board. The Board may also form committees and advisory councils, which may include representatives who are not members of the Board, to undertake more extensive study and discussion of the issues before the Board. Interstate Compacts

Compacts are agreements between two or more states that bind them to the compacts' provisions, just as a contract binds two or more parties in a business agreement. As such, compacts are subject to the substantive principles of contract law and are protected by the constitutional prohibition against laws that impair the obligations of contracts (United States Constitution, Article I, Section 10).

Compacting states are bound to observe the terms of their agreements, even if those terms are inconsistent with other state laws. Compacts between states are somewhat similar to treaties between nations. Compacts have the force and effect of statutory law (whether enacted by statute or not) and they take precedence over conflicting state laws, regardless of when those laws are enacted.

However, unlike treaties, compacts are not dependent solely upon the good will of the parties. Once enacted, compacts may not be unilaterally renounced by a member state, except as provided by the compacts themselves. Moreover, Congress and the courts can compel compliance with the terms of interstate compacts. This is why compacts are considered an effective means of ensuring interstate cooperation.

The membership listed in the following compacts pertains only to appointments made by the Governor from the citizens of the Commonwealth of Virginia.

Executive Order

NUMBER 25 (2023)

ESTABLISHING A VIRGINIA-TAIWAN TRADE OFFICE

Importance of Initiative

The United States is Taiwan's second largest trading partner. Virginia's relationship with Taiwan is a meaningful driver of the national partnership, with recent growth in annual product exports from Virginia significantly outpacing that of the broader nation. Furthermore, Taiwan and Virginia share common values, including democratic norms and support of a rules-based world order. According to preliminary analysis undertaken by the Virginia Economic Development Partnership Authority per Senate Bill 1208 and signed into law as 2023 Acts of Assembly Chapter 637 on March 26, 2023, the Commonwealth of Virginia will benefit from the opening of a Virginia-Taiwan Trade Office.

Attracting foreign direct investment (FDI) to the Commonwealth and aiding Virginia companies in selling their products overseas are critical to the economic prosperity of the Commonwealth. Given that Taiwan is a critical partner to Virginia and the United States and shares our commitment to democracy, expanding our trade relationship will strengthen ties on both sides. Taiwan is a significant source of FDI in the United States and their market share of FDI is rising. Taiwan ranks as the fourth fastest-growing source of FDI in the United States. A trade office in Taiwan will build off this foundation and momentum to help bring investment and jobs to Virginia.

FDI in advanced technologies includes the semiconductor ecosystem. A secure semiconductor supply chain is essential to the national security of the United States. Virginia is uniquely poised to excel in the advanced technology sector due to our extensive IT infrastructure, a robust, internationally recognized university system primed to advance key technologies and satisfy growing workforce needs, and the highest existing concentration of tech employees in the United States.

Additionally, international trade plays an essential role in maintaining the vitality of the Virginia economy. VEDP's International Trade programs and the Virginia Department of Agriculture and Consumer Services Office of International Marketing provide direct support to Virginia companies committed to increasing their international export sales as a corporate growth strategy. These services help companies identify potential new markets, develop market entry

strategies, and locate possible distributors and representatives for products or services – all at little to no cost to the company.

The Commonwealth and her businesses provide critical computer and electronic products, machinery, agricultural exports such as soybeans, textiles, and more to Taiwan. Increasing opportunities for international trade with Taiwan in these sectors will position Virginia's companies for future success.

The relationship is further supported by the heart of Virginia's economy, the Port of Virginia, whose 6 terminals and extensive multimodal network support the export and import of goods, to and from Virginia and states across the nation. There are over \$1.4 billion in transformative projects underway at the Port, including deepening and widening of the Norfolk Harbor and its channels which will make the Port of Virginia the deepest port on the U.S. East Coast and the only port that will be able to safely handle two-way traffic of ultra-large container vessels. Taiwanese exports through the Port of Virginia saw a 12.5% year-over-year increase in twenty-foot equivalent unit (TEUs) in 2022. The Virginia-Taiwan Trade Office coupled with the historic investments in infrastructure improvements at the Port of Virginia will position Virginia and Taiwan to increase TEUs through the Port and strengthen supply chain relationships.

The existing partnership between Taiwan and Virginia will be further strengthened by the creation of a Virginia-Taiwan Trade Office, and its opening will enable the Commonwealth to better showcase Virginia to prospective investors and businesses, and to further open markets for Virginia products. The establishment of the Virginia-Taiwan Trade Office will be Virginia's fourth international office, in addition to offices in Germany, Japan and South Korea.

Directive

Accordingly, pursuant to the authority vested in me in Article V of the Constitution of Virginia and as the Chief Executive of the Commonwealth, and pursuant to § 2.2-103 of the Code of Virginia, I hereby direct and order the Secretary of Commerce and Trade, in collaboration with the Virginia Economic Development Partnership (VEDP), to establish a Virginia-Taiwan Trade Office to serve as the official representation of Virginia in Taiwan and to promote and offer services related to economic development and trade.

Additionally, the Secretary of Commerce and Trade and the Virginia Economic Development Partnership shall submit a plan to implement this directive including the steps, resources, and actions necessary to open a Virginia-Taiwan Trade Office, along with a timeline for opening the office by June 30, 2023. The plan shall also explore services that will promote the Commonwealth's agricultural, industrial, and commercial products and services to Taiwan as well as generate new business opportunities, sales, and investments across various industries serving the interests of residents of the Commonwealth and the people of Taiwan.

Effective Date of the Executive Order

This Executive Order shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by further executive order or directive. Given under my hand and under the Seal of the Commonwealth of Virginia, this 24th day of April, 2023.

NUMBER 26 (2023)

CRUSHING THE FENTANYL EPIDEMIC: STRENGTHENING VIRGINIA'S INTERDICTION AND ENFORCEMENT RESPONSE TO FENTANYL CRISIS

Importance of the Initiative

Fentanyl poisoning has devastated families and communities across the nation and in Virginia. The Commonwealth must do more to combat this deadly fentanyl poisoning crisis.

Fentanyl is a synthetic opioid that is approximately fifty times more potent than heroin and one hundred times stronger than morphine. The number of fentanyl overdose deaths in the Commonwealth has grown over 20-fold since 2013, with 1,951 Virginians killed by fentanyl in 2022. Since 2020, more Virginians have died from fatal drug overdoses than motor vehicle and gun-related deaths combined. Drug overdose is the leading cause of unnatural death in Virginia.

The scope of the problem has not only grown over the past decade, but the communities hit hardest have also changed. Historically, white males regularly had the highest rates of fatal opioid overdoses in Virginia. In 2019, however, black males had the highest rate of fatal opioid overdoses in the Commonwealth. From the latest available data, in 2022 black males fatally overdosed on fentanyl 1.9 times as often as white males (rate of 60.4 and 31.4 per 100,000, respectively). More must be done to reach these communities and connect them to a pathway to recovery and renewal.

To combat this scourge on Virginia's families and communities, I am directing executive branch agencies to enact a first-of-its-kind comprehensive fentanyl strategy as part of the ***Right Help, Right Now*** behavioral health transformation to (1) enhance public safety measures to counteract activity by illicit drug manufacturers and distributors; (2) invest in and enhance prevention and recovery efforts (3) educate our communities for action to address fentanyl and opioid abuse and overdoses; (4) expand access to evidence-based treatments; and (5) comprehensively organize our government to transform and strengthen Virginia's response to the fentanyl opioid crisis..

The fentanyl epidemic is a national security concern, a public safety issue, and a serious public health emergency. According to the United States Drug Enforcement Administration, the highest amounts of fentanyl come into the United States from China, through Mexico and Canada. That is why Virginia should raise penalties for manufacturers and dealers who work with Chinese and Mexican drug cartels.

Overdoses are not limited to adults. Illicit drug manufacturers and dealers target children with “rainbow fentanyl,” which are bright-colored pills resembling candy. We must protect our children from the deadly dangers of fentanyl. Enhancing our public safety capabilities will enable local law enforcement to put resources in the right places for more effective interdiction. We must also expand access to naloxone—the opioid reversal treatment—in schools, re-evaluate how we care for children who have lost a family member from a drug overdose, and educate our communities about the dangers of fentanyl as well as how to respond to an overdose.

Fentanyl overdoses and deaths have become far too familiar in Virginia and throughout the country. The measures in this Executive Order are significant steps to reduce the occurrence of fentanyl overdoses and deaths in the Commonwealth. Through this comprehensive strategy, together we will overcome the poison that has taken too many lives.

Directive

Accordingly, pursuant to the authority vested in me as the Chief Executive Officer of the Commonwealth, and pursuant to Article V of the Constitution and the laws of Virginia, I hereby order the following:

Prevention and Treatment

1. I direct the Secretary of Health and Human Resources to assign a Special Advisor to the Governor on Opioid Response within 90 days of the date of this order to assist in the Commonwealth’s coordinated efforts. Such efforts include collecting data across the Commonwealth and researching effective and proven methods to combat the fentanyl crisis in Virginia.
2. I direct the Department of General Services, in coordination with Virginia Department of Health, to issue a Request for Proposals for naloxone hydrochloride nasal spray kits, and other items as needed, within 60 days of the date of this order, to secure a steady, affordable supply across Virginia. I further direct that other government entities (e.g., counties) can use any such contract to purchase a steady supply of naloxone and enhance our economies of scale as a purchasing collective in our region.
3. I direct the Department of Health to develop a cost-effective plan to utilize and fund wastewater surveillance to detect the frequency, potency, and occurrences of fentanyl use in specific locations. This plan shall include a response strategy that includes increased naloxone distribution, targeted public awareness campaigns, and other cost-effective strategies to reduce fentanyl’s prevalence in those communities where surveillance warrants increased response. The plan shall be sent to the Secretary of Health and Human Resources within 120 days of the date of this order.

4. I direct the Department of Social Services to develop a plan to offer wrap-around services and treatments to those taking care of children whose parents have passed away from a drug overdose to reduce the trauma of losing a parent to an overdose within 120 days of the date of this order.

Public Safety and Drug Interdiction

5. I direct the Secretary of Public Safety and Homeland Security to assign a Special Advisor to the Governor on Opioid Interdiction within 90 days of the date of this order.
6. I direct the Secretary of Public Safety and Homeland Security, in coordination with the Virginia State Police, to develop a strategic plan for law enforcement agencies across the Commonwealth serving jurisdictions with high numbers of overdose deaths to combat illicit trafficking and the sale of fentanyl in the Commonwealth within 120 days of the date of this order. These efforts should include interdiction technologies and strategies, as well as investigative equipment and activities needed to support the apprehension of illicit fentanyl, and any additional strategies needed for jurisdictions with high numbers of overdose deaths.
7. I direct the Secretary of Public Safety and Homeland Security and the Secretary of Transportation to work collaboratively together to apply for and secure grants from the Federal government and elsewhere to support efforts to detect illicit fentanyl at Virginia's borders to prevent its entry into the Commonwealth.
8. I direct the Secretary of Public Safety and Homeland Security within 90 days of the date of this order to establish a workgroup to improve pathways for incarcerated individuals with substance use disorders to remain drug-free when they are released from incarceration.

Organization of Government and Data Collection

9. I direct the agencies listed below to send a plan to me to report, in accordance with federal and state law, their data to and work with the Virginia State Police's fusion center and to participate in the Framework for Addiction Analysis and Community Transformation (FAACT), a secure data-sharing project led by the Department of Criminal Justice Services (DCJS) in collaboration with the Office of Data Governance and Analytics (ODGA), within 120 days of the date of this order. This effort will create the most cohesive and timely data on fatal and non-fatal overdoses in the Commonwealth to allow for immediate interdiction, education, and abatement efforts in the neighborhoods where spikes in overdoses are observed.
 - Department of Health
 - Department of Health Professions
 - Department of Social Services
 - Department of Medical Assistance Services
 - Department of Behavioral Health and Developmental Services

- Department of Corrections
- Department of Criminal Justice Services
- Department of Juvenile Justice

10. I direct the Department of Health to work with local health departments to assist localities in establishing Overdose Fatality Review teams in accordance with Virginia Code § 32.1-283.7 within 180 days of this order. The teams will work with local law enforcement and the Department of Behavioral Health and Developmental Services to follow up on fentanyl overdose deaths to identify the source of the drug and recommend immediate actions to prevent further overdoses.

Effective Date of the Executive Order

This Executive Order shall be effective upon its signing and shall be in effect unless amended or rescinded by further executive order or directive. Given under my hand and under the Seal of the Commonwealth of Virginia, this 9th day of May 2023.

NUMBER TWENTY SEVEN (2023)

AMENDED

DECLARATION OF A STATE OF EMERGENCY DUE TO SEVERE FLOODING AND TROPICAL STORM IMPACTS ACROSS THE COMMONWEALTH

Importance of the Issue

The Virginia Emergency Operations Center has been actively monitoring the movement of severe weather heading toward Virginia, with anticipated arrival on the evening of Friday, September 22, 2023. The National Weather Service forecasts are predicting tropical storm force winds, heavy rain, coastal flooding, and high surf to portions of the Chesapeake Bay and Atlantic Ocean coastlines. Strengthening is expected throughout the day and into Saturday, and the system is forecasted to become a Tropical Storm as it approaches the coast of North Carolina. The system is expected to bring tropical-storm conditions to portions of the southeast and mid-Atlantic coast to include large swaths of the Commonwealth. This is an unusual storm, which has been difficult to accurately forecast, approaching large population centers with many at-risk communities. Accordingly, the pre-positioning of response assets and supplies will be necessary to assist our local and state partners. The Virginia Emergency Support Team will activate for this incident.

The anticipated effects of this situation constitute a disaster as described in § 44-146.16 of the Code of Virginia (Code). Therefore, by virtue of the authority vested in me by Article V, Section 7 of the Constitution of Virginia, by §§ 44-146.17 and 44-75.1 of the Code, as Governor and Director of Emergency Management and Commander-in-Chief of the Commonwealth's Armed Forces, I proclaim a state of emergency. Accordingly, I direct state and local governments to render appropriate assistance to prepare for this event, to alleviate any conditions resulting from the situation, and to implement recovery and mitigation operations and activities so as to return impacted areas to pre-event conditions as much as possible. Emergency services shall be conducted in accordance with § 44-146.13 et seq. of the Code.

Following a declaration of a local emergency pursuant to § 44-146.21 of the Code of Virginia, if a local governing body determines that evacuation is deemed necessary for the preservation of life or other emergency mitigation, response or recovery, pursuant to § 44-146.17A (1) of the Code of Virginia, I direct the evacuation of all or part of the populace therein from such areas and upon such timetable as the local governing body, in coordination with the Virginia Emergency Operations Center (VEOC), acting on behalf of the State Coordinator of Emergency Management, shall determine. Notwithstanding the foregoing, I reserve the right to direct and compel evacuation from the same and different areas and determine a different timetable both where local governing bodies have made such a determination and where local governing bodies have not made such a

determination. Violations of any order to citizens to evacuate shall constitute a violation of this Executive Order and are punishable as a Class 1 misdemeanor.

This Executive Order also covers preparatory actions for this event that began on September 21, 2023.

Directive

In order to marshal all public resources and appropriate preparedness, response, and recovery measures, I order the following actions:

1. Implementation by state agencies of the Commonwealth of Virginia Emergency Operations Plan, as amended, along with other appropriate state plans.
2. NUMBER TWENTY-EIGHT (2023)

Parental Notification, Law Enforcement Collaboration, and Student Education to Prevent Student Overdoses

By virtue of the authority vested in me as Governor of the Commonwealth, I hereby issue this Executive Order directing the Superintendent of Public Instruction and the Virginia Department of Education to take immediate action regarding overdoses in Virginia's public schools.

Importance of Initiative

My Administration has been aggressively focused on fighting the fentanyl epidemic and reversing the disturbing trend of increasing overdoses of Virginians, especially among our youth, with our *Right Help, Right Now* initiative, *One Pill Can Kill* campaign, and *Executive Order 26 (2023) Crushing the Fentanyl Epidemic: Strengthening Virginia's Interdiction and Enforcement Response to the Fentanyl Crisis*.

In October 2023, there were nine documented cases of opioid-related drug overdoses involving students at Loudoun County Public Schools.¹ At least four of these incidents took place on school premises, three required the administration of naloxone, and in at least two instances, school personnel were required to perform life-saving CPR. These incidents reflect a broader issue, with more than 19 juvenile opioid overdoses in Loudoun County this year.

Transparency and community awareness are essential to ensuring the safety and well-being of Virginia's children. The Loudoun County Public School division reportedly waited more than 20 days to inform parents despite clear evidence of numerous incidents of overdose among the students.

Failure to promptly notify parents endangers the health and welfare of their children and limits parents' fundamental right to make decisions concerning the upbringing, education, and care of their children.

Directive

Accordingly, pursuant to the authority vested in me as the Chief Executive Officer of the Commonwealth, and pursuant to Article V of the Constitution and the laws of the Commonwealth including *Code of Virginia* § 1-240.1, I hereby order the Superintendent of Public Instruction and the Department of Education to:

1. Issue guidance requiring the notification of all parents within a school division through regular communication channels within 24 hours of a school-connected student overdose, while always ensuring protection of student privacy.
2. Issue guidance outlining close collaboration between local school divisions and state law enforcement to prevent student overdoses.
3. Provide information to local school divisions and parents about education programs for students to develop decision-making skills and prevent violations of Virginia law, including state and federal efforts such as the *One Pill Can Kill* campaign led by the First Lady of Virginia and the Attorney General and the Attorney General's *Virginia Rules* program.

Effective Date

This Executive Order shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by a future executive order or directive. Given under my hand and under the Seal of the Commonwealth of Virginia, this 1st day of November, 2023.

NUMBER TWENTY-NINE (2023)

AMENDED

DECLARATION OF A STATE OF EMERGENCY DUE TO WILDFIRES, OR THE POTENTIAL THEREOF, THROUGHOUT THE COMMONWEALTH OF VIRGINIA

Importance of the Issue

The Commonwealth of Virginia is experiencing multiple wildfires around the state due to extremely dry conditions and high winds, both of which are common during the ongoing fall fire season. These fires have and may continue to pose a significant threat to public health and safety. Specifically, two fires—the Quaker Run Fire in Madison County and the Tuggles Gap Fire in Patrick County—broke containment lines in recent days. As such, additional resources are needed to contain these fires and respond to additional fires as necessary.

The anticipated effects of this situation constitute a disaster as described in § 44-146.16 of the *Code of Virginia* (Code). Therefore, by virtue of the authority vested in me by Article V, Section 7 of the Constitution of Virginia and by §§ 44-146.17 and 44-75.1 of the Code, as Governor and Director of Emergency Management and Commander-in-Chief of the Commonwealth's Armed Forces, and subject always to my continuing and ultimate authority and responsibility to act in such matters, I proclaim a state of emergency. Accordingly, I direct state and local governments to render appropriate assistance to prepare for this event, to alleviate any conditions resulting from the situation, and to implement recovery and mitigation operations and activities so as to return impacted areas to pre-event conditions as much as possible. Emergency services shall be conducted in accordance with § 44-146.13 et seq. of the Code.

Following a declaration of a local emergency pursuant to § 44-146.21 of the *Code of Virginia*, if a local governing body determines that evacuation is deemed necessary for the preservation of life or other emergency mitigation, response or recovery, pursuant to § 44-146.17(A)(1) of the *Code of Virginia*, I direct the evacuation of all or part of the populace therein from such areas and upon such timetable as the local governing body, in coordination with the Virginia Emergency Operations Center (VEOC), acting on behalf of the State Coordinator of Emergency Management, shall determine. Notwithstanding the foregoing, I reserve the right to

direct and compel evacuation from the same and different areas and determine a different timetable both where local governing bodies have made such a determination and where local governing bodies have not made such a determination. Violations of any order to citizens to evacuate shall constitute a violation of this Executive Order and are punishable as a Class 1 misdemeanor.

Directive

In order to marshal all public resources and appropriate preparedness, response, and recovery measures, I order the following actions:

1. Implementation by state agencies of the Commonwealth of Virginia Emergency Operations Plan, as amended, along with other appropriate state plans.
2. Activation of the Virginia Emergency Operations Center and the Virginia Emergency Support Team, as directed by the State Coordinator of Emergency Management, to coordinate the provision of assistance to state, local, and tribal governments and to facilitate emergency services assignments to other agencies.
3. Authorization for the heads of executive branch agencies, on behalf of their regulatory boards as appropriate, and with the concurrence of their Cabinet Secretary, to waive any state requirement or regulation, and enter into contracts without regard to normal procedures or formalities, and without regard to application or permit fees or royalties. All waivers issued by agencies shall be posted on their websites.
4. Activation of § 59.1-525 et seq. of the Code related to price gouging.
5. Authorization of a maximum of \$10,000,000.00 in state sum sufficient funds for state and local government mission assignments and state response and recovery operations authorized and coordinated through the Virginia Department of Emergency Management allowable by The Stafford Act, 42 U.S.C. § 5121 et seq. Included in this authorization is \$5,000,000.00 for the Department of Military Affairs.
6. Activation of the Virginia National Guard to State Active Duty.

Effective Date of this Executive Order

This Amended Executive Order shall be effective November 6, 2023, and shall remain in full force and effect for 30 days pursuant to § 44-146.17 of the *Code of Virginia*, unless sooner amended or rescinded by further executive order. Termination of this Executive Order is not intended to terminate any federal type benefits granted or to be granted due to injury or death as a result of service under this Executive Order.

EXECUTIVE DIRECTIVE NUMBER FOUR (2023)

Deploying Targeted Resources in Response to the Emergency Management Assistance Compact Request from the State of Texas to Address Ongoing Southern U.S. Border Crisis

Importance of the Issue

The U.S.-Mexico border emergency has intensified over the last two years. In addition to the humanitarian crisis of individuals unlawfully entering the United States and the associated human trafficking plight, the flow of illegal drugs—including highly lethal fentanyl—has sharply increased. Those illegal drugs are transported into our Commonwealth, leading to the tragic deaths and overdoses of thousands of Virginians. The influx of fentanyl alone presents a severe threat to the Commonwealth, costing the lives of five Virginians each day on average. Virginia State Police have seized over 42 pounds of illegal fentanyl since last year, enough to kill every single Virginian. This crisis has accelerated dramatically, and Virginia has experienced a 20-fold increase in fatal fentanyl overdoses since 2013. Beyond deadly fentanyl, Mexican cartels send other narcotics, including cocaine, methamphetamines, and heroin, across the border in record amounts. Porous borders further allow national security threats, violent criminals, and human traffickers to cross into the United States with impunity. All states have become border states.

Since 2021, Texas has spent more than \$4.5 billion on border security operations, and the Texas Legislature recently passed an additional \$5.1 billion in funding to continue operations to secure the border. Texas has deployed thousands of its own National Guard soldiers and Department of Public Safety troopers to combat this crisis, adopting a “deter and repel” strategy to secure the border and prevent, detect, and interdict transnational criminal behavior between ports of entry along the border. One of the key tactics under the “deter and repel” strategy is the rapid deployment of personnel to erect physical barriers and demonstrate a physical presence to impede border crossings and prevent the smuggling of drugs, weapons, and people into Texas and the United States. Texas has become a first line of defense to fight the flow of criminals, contraband, and deadly drugs into communities across the nation. Texas has seen early success as a result of this change in mission and surge in resources.

The border crisis recently reached a new inflection point when the Director for the U.S. Centers for Disease Control & Prevention issued a Public Health Determination terminating an Order issued on 42 U.S.C. §§ 265, 268 and 42 C.F.R. § 71.40 (“Title 42”) as of May 11, 2023,

with the expiration of the Federal Public Health Emergency. Regular migration resumed under 8 U.S.C. (“Title 8”), requiring the State of Texas to further increase its resource commitment to combat this crisis.

On May 12, 2023, Texas Governor Greg Abbott renewed the disaster proclamation originally issued May 31, 2021, due to the imminent threat to health and public safety the continued crisis of unlawful crossings at the border causes as well as the failure of the Federal government to take action to prevent persons from unlawfully entering the country.

Due to continued instability along the U.S. border with Mexico, including the increase in trafficking of illegal drugs as well as human trafficking, Texas made numerous requests for assistance to all states and territories through the Emergency Management Assistance Compact (EMAC), of which Virginia is a founding member. On May 16, 2023, Texas requested other states provide military and law enforcement support to assist in managing these emergency conditions under EMAC.

Because of the resource intensive nature of the “deter and repel” strategy and the unmitigated danger posed by the increasing drug supply exacerbating the fentanyl crisis and the impact of criminal activity in the Commonwealth, Virginia will do its part to assist the State of Texas’ efforts with the coordinated deployment of Virginia National Guard soldiers to assist in key aspects of their mission.

Directive

Accordingly, pursuant to the authority vested in me by Article V of the Constitution of Virginia and by §§ 44-75.1, 44-146.17(5), 44-146.28.C, and 44-146.28:1 of the *Code of Virginia*, as the Governor and Commander-in-Chief of the Armed Forces of the Commonwealth, and subject always to my continuing and ultimate authority and responsibility to act in such matters, I hereby order the following actions to marshal all public resources and appropriate preparedness, response, and recovery measures in support of the State of Texas:

1. Activation of the Virginia Emergency Operations Center and the Virginia Emergency Support Team, as directed by the State Coordinator of Emergency Management, to coordinate the provision of assistance to Texas.
2. Deployment of 100 Virginia National Guard soldiers and 21 supporting personnel in state active-duty status for a duration of 30 days for the purpose of supporting the State of Texas’ request for assistance. The following conditions apply to the activation and deployment of the Virginia National Guard:
 - a. In all instances, members of the Virginia National Guard shall remain subject to military command as prescribed by § 44-78.1 of the *Code of Virginia* and are not subject to the civilian authorities of county or municipal governments. This shall not prohibit working in close cooperation with members of other Federal, State or Local authorities or receiving guidance from them in the performance of their duties.

- b. The Virginia National Guard concept of operations will include a 121-personnel emergency response package, with civil disturbance operation training, a Lieutenant Colonel-led command team forward with the unit in Texas, supporting Texas National Guard Task Force operations dispersed across the border, listening and operations post operations along the Southwest Border of Texas, and personnel will be equipped with weapons, ammunition, body armor, protective masks, and night vision and other support devices.

Effective Date

This Executive Directive shall be effective May 31, 2023, and shall remain in full force and in effect until September 30, 2023, unless sooner amended or rescinded by further directive or authorization. Termination of authority to conduct this mission does not terminate any federal-type benefits granted or to be granted due to injury or death as a result of service under this authority.

EXECUTIVE DIRECTIVE NUMBER FIVE (2023)

RECOGNIZING THE RISKS AND SEIZING THE OPPORTUNITIES OF ARTIFICIAL INTELLIGENCE

By virtue of the authority vested in me as Governor, I hereby issue this Executive Directive to ensure the responsible, ethical and transparent use of artificial intelligence technology by state government in order to protect the rights of Virginians and develop targeted, innovative uses for this emerging technology to help deliver a best-in-class state government.

Importance of the Initiative

The widespread availability of artificial intelligence (AI) products will rapidly expand our analytical power over the coming years. These enhanced computing systems have the potential to increase productivity, transform work and impact the way government operates. The technologies also pose significant challenges, including job displacement, social and privacy intrusion, and the potential for both positive and negative impacts on education. Policymakers at both the federal and state levels are working to understand this technology and establish necessary guardrails; however, the pace is too slow.

The Commonwealth of Virginia is home to a rapidly evolving entrepreneurial ecosystem and one of the most innovative workforces in the nation. Virginia's colleges and universities lead the nation in technology research and development, and the most critical national security and military intelligence institutions in the United States are headquartered in Virginia. These unique factors charge Virginia with a responsibility to spearhead a policy environment that drives trust, safety and security in the development and deployment of AI technologies.

While the nation seeks to understand and adapt to this fast-moving technology, the Commonwealth urgently needs standards and protocols to frame the adaptation of AI across state government. Virginia must proactively and deliberatively prepare for this transformative technology to take advantage of the benefits while mitigating the risks.

Preamble

In order to establish internal guardrails for the use of AI technologies and identify the best uses and practices across state government in a timely manner, I am directing the Office of

Regulatory Management, in coordination with the Chief Information Officer and relevant Secretariats, to establish standards for the use of AI technology by state government and identify areas for piloting and testing of AI to make government work better for Virginians. The Commonwealth must meet the challenges and opportunities posed by this transformative technology, ensuring that the Commonwealth remains competitive and innovative in the years to come while protecting its citizens from its risks and potential threats.

Directive

Accordingly, pursuant to the authority vested in me as the Chief Executive Officer of the Commonwealth, and pursuant to Article V of the Constitution of Virginia and the laws of the Commonwealth, I hereby direct the Office Regulatory Management, in consultation with the Chief Information Officer and relevant Secretariats, to take the following actions:

- I. Legal and Regulatory Environment
 - a. Review, in consultation with the Office of the Attorney General, existing laws and regulations that may apply to AI, such as privacy laws or intellectual property laws, and determine if any updates or changes are necessary to address AI-specific issues and ensure the public is properly protected.
 - b. Ensure that the use of AI by state government is transparent, secure and impartial and that there are sufficient safeguards in place to protect individual privacy rights.
 - c. Make recommendations for uniform standards for the responsible, ethical and transparent use of AI across all state agencies and offices including:
 - i. Information technology (IT) and systems standards to govern the use of AI by state agencies.
 - ii. Education guidelines for the use of AI in K-12 public schools and higher education institutions.
 - iii. Policy standards for when and how AI can be used within state government, such as requiring disclaimers and approval processes.
 - iv. Legal standards for state agencies and departments which may require legislative changes.

- II. Education and Workforce Development
 - a. Work with the Department of Education, SCHEV and our institutions of higher education to develop a plan to accomplish the following goals:
 - i. Promote guidelines for the use of AI tools which would impact learning and prohibit cheating on schoolwork.
 - ii. Examine the potential uses of AI tools for personalized tutoring, especially in K-12.
 - iii. Include AI-related topics within technology, computer science and data analytics courses in K-12 and higher education to ensure students are equipped with the skills and knowledge needed to succeed in a rapidly changing world.
 - b. Examine efforts to include AI technologies in workforce development.

- i. Ensure that Virginia’s K-12 students are prepared for future careers that involve AI technologies, including partnerships with community colleges, workforce development programs and industry associations.
- ii. Support opportunities for Virginia colleges and universities to contribute to AI research and training, through collaborations with other academic institutions, private companies and government agencies.

III. Modernization of State Government

- a. Identify opportunities for the secure and transparent use of AI technologies to improve efficient and effective state government operations.
- b. Evaluate the potential effects of AI technologies on state government functions and workforce, including changes to the nature of work, and recommend how Virginia can best prepare and support state government employees through this transition while protecting Commonwealth data and public privacy.
- c. Develop ethical guidelines and best practices for the use of AI in state government decision-making, with a focus on ensuring transparency and accountability in AI algorithms and decision-making processes.

IV. Economic Development and Job Creation

- a. Work with the Virginia Economic Development Partnership to develop a plan to accomplish the following goals:
 - i. Identify potential industry clusters that may benefit from AI in Virginia, such as healthcare or transportation.
 - ii. Explore ways to encourage AI innovation and entrepreneurship, including incubators, accelerators and other programs that support startups and early-stage companies.
 - iii. Assess the risks and opportunities of AI on the labor market in Virginia, including which types of jobs may be displaced by automation and which new jobs may be created.
 - iv. Develop strategies to support workers impacted by AI.
 - v. Coordinate with schools and workforce programs on steps needed to develop an AI-ready next generation.
- b. Work with the Virginia Department of Energy to better understand the impact of AI on our power generation requirements within the Commonwealth resulting from the expected increase in energy demands due to the growing computing capacity requirements necessitated by increased adoption of AI.

The Office of Regulatory Management in coordination with the Chief Information Officer shall complete the above actions and deliver its recommendations by no later than December 15, 2023.

Effective Date of the Executive Directive

This Executive Directive shall be effective upon signing and shall remain in full force and effect unless amended or rescinded by further executive order or directive. Given under my hand and under the Seal of the Commonwealth of Virginia this 20th day of September, 2023.

Executive Directive Six (2023)

COMBATING ANTISEMITISM AND ANTI-RELIGIOUS BIGOTRY AND PROTECTING THE FREEDOM TO WORSHIP IN THE COMMONWEALTH OF VIRGINIA

By virtue of the authority vested in me as Governor, I hereby issue this Executive Directive to combat the increasing incidents and threats of antisemitism and anti-religious and ethnic-based bigotry and violence in the Commonwealth.

Importance of the Initiative

Following Hamas' barbaric and deadly terror attacks on October 7, reports of antisemitism have significantly increased in the Commonwealth.

Street protesters in Richmond have voiced antisemitic slogans and called for the extermination of the Jewish community in Israel.¹ Additionally, individuals at the Virginia Commonwealth University have destroyed tributes and memorials to those captured children held hostage by Hamas.² Concurrently, Jewish students at William & Mary have faced verbal abuse for expressing their faith and grieving the loss of loved ones.³

As Governor, the safety and security of all Virginians is my paramount concern. Virginia is the birthplace of the Freedom of Religion in America, and protecting the community centers and house of worship of the Jewish people is paramount. But this commitment extends to all religions, including those of the Muslim faith, who are increasingly concerned about backlash.

Immediately following the October 7 terrorist attack, I directed the Secretary of Public Safety & Homeland Security to initiate an inter-agency strategy involving the Virginia State Police, Department of Criminal Justice Services, and other federal and local law enforcement agencies. I have also made it a priority to personally meet or have senior administration officials meet with numerous ethnic and religious groups across Virginia to address hateful violence targeting their communities.

On Day One of my Administration, I created the Commission to Combat Antisemitism with the mission to formulate policies and recommendations to safeguard the welfare of Virginia's Jewish community. Our commitment to protecting all religious and ethnic communities must be ongoing.

¹ Glagola, J., Shi, S., & Kerley, A. (2023, October 18). Richmond community members, students rally in support of Palestine. *The Commonwealth Times*.

² McCabe, N. (2023, October 24). Video: Young Man at Virginia Commonwealth University Tore Down Flyers Depicting Israelis Hamas Kidnapped. *The Tennessee Star*.

³ Millet, J. (2023, October 10). Jewish William & Mary students say other students verbally assaulted them due to war in Israel. *WAVY*.

While responding to the attacks and threats on the Jewish community, this strategy encompasses the comprehensive protection of all ethnic and religious communities in Virginia. Hate has no home in Virginia, and it is critical that we protect Virginia's religious and ethnic communities from persecution and violence.

Directive

Accordingly, pursuant to the authority vested in me as the Chief Executive Officer of the Commonwealth, and pursuant to Article V of the Constitution of Virginia and the laws of the Commonwealth, I hereby direct my administration to implement the following measures in order to confront and combat antisemitism and other forms of anti-religious bigotry and ethnic-based violence.

Public Safety & Homeland Security

1. The Secretary of Public Safety & Homeland Security shall designate a chief coordinating officer to oversee a "situation room" focused on enhancing our comprehensive efforts to protect houses of worship and religious affiliated institutions in the Commonwealth of Virginia. The chief coordinating officer will continue to collaborate with the Virginia State Police and engage with local law enforcement agencies, including local police, campus police, Sheriffs' departments, Commonwealth's Attorneys, and U.S. Attorneys, to enhance the safety of those individuals and institutions who are confronting threats on the basis of their religious beliefs or ethnicity.
2. The Secretary of Public Safety & Homeland Security shall further collaborate with and offer resources and training on combating antisemitism and other religious and ethnic-based violence to public and private campus police, administrators, and other safety officers.
3. The Department of Criminal Justice Services shall use all administrative discretion to expedite the disbursement of \$2.7 million of available grant funds to individuals or institutions who are confronting threats on the basis of their religious beliefs or ethnicity to support hardening activities, security services, critical technology infrastructure, and screening systems. The Department shall make local governments and community and faith leaders aware of the availability of such funds and any relevant application processes.
4. The Virginia Fusion Center is hereby directed to maintain a heightened state of alert in identifying and addressing antisemitism and other anti-religious bigotry, as well as threats against houses of worship, religious schools, and community centers.

Education

5. The Secretary of Education shall coordinate with public and private college and university presidents to promote the safety and provision of resources for Jewish and Muslim students, including mental health resources, and all other students subject to or at risk of religious or ethnicity-based violence.
6. All public institutions of higher education that host residential student populations are hereby requested to submit promptly an updated comprehensive safety plan dedicated to the security of their students, including Jewish and Muslim students, and the specific system for the reporting of incidents, on their respective campuses to the Virginia Center for School and Campus Safety

(VCSCS) pursuant to § 23.1-805 of the Code of Virginia.

7. The Superintendent of Public Instruction shall collaborate with local school division superintendents to promote awareness of and access to resources promoting the safety of their students, including Jewish and Muslim students.
8. The Virginia Center for School and Campus Safety shall incorporate measures addressing incidents of antisemitism, anti-religious bigotry, and ethnic violence among the items to be reviewed and evaluated in school safety audits pursuant to § 22.1-279.8 of the Code of Virginia.
9. The Superintendent of Public Instruction shall ensure that school divisions are duly informed about Virginia's adoption of the International Holocaust Remembrance Alliance Working Definition of Antisemitism pursuant to Chapter 471 of the Acts of Assembly of 2023, including the contemporary examples of antisemitism set forth therein, to serve as a tool and guide for the purposes of training, education, identification, and the proactive prevention of antisemitism and discrimination.

Effective Date

This Executive Directive shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by further executive order or directive. Given under my hand and under the Seal of the Commonwealth of Virginia, this 31st day of October, 2023.

About Virginia

History and Facts on Virginia

Capitol Building, Richmond

In 1607, the first permanent English settlement in America was established at Jamestown. The Jamestown colonists also established the first representative legislature in America in 1619. Virginia became a colony in 1624 and entered the union on June 25, 1788, the tenth state to do so. Virginia was named for Queen Elizabeth I of England, the “Virgin Queen” and is also known as the “Old Dominion.” King Charles II of England gave it this name in appreciation of Virginia’s loyalty to the crown during the English Civil War of the mid-1600s. Virginia is designated as a Commonwealth, along with Kentucky, Massachusetts, and Pennsylvania. In 1779, the capital was relocated from Williamsburg to Richmond.

The cornerstone for the Virginia Capitol Building was laid on August 18, 1785, and the building was completed in 1792. Modeled after the Maison Carrée at Nîmes, France, the Capitol was the first public building in the United States to be built using the Classical Revival style of architecture. Thomas Jefferson designed the central section of the Capitol, including its most outstanding feature: the interior dome, which is undetectable from the exterior. The wings were added in 1906 to house the Senate and House of Delegates. In 2007, in time to receive the Queen of England during the celebration of the 400th anniversary of the Jamestown Settlement, the Capitol underwent an extensive restoration, renovation and expansion, including the addition of a state of the art Visitor’s Center that will ensure that it remains a working capitol well into the 21st Century. The Virginia state Capitol is the second oldest working capitol in the United States, having been in continuous use since 1788.

More information on the Capitol building can be found at <http://www.virginiacapitol.gov>.

Eight U.S. Presidents were born in Virginia: George Washington, Thomas Jefferson, James Madison, James Monroe, William Henry Harrison, John Tyler, Zachary Taylor, and Woodrow Wilson, giving Virginia the nickname the “Mother of Presidents.”

Virginia is also known as the “Mother of States.” All or part of the following eight states were formed from western territory once claimed by Virginia: Illinois, Indiana, Kentucky, Michigan, Minnesota, Ohio, West Virginia, and Wisconsin.

It is difficult to compile a clear and comprehensive list of governors for the colonial period because of the governmental and administrative changes made in England, and due to the proxy system whereby the person bearing the title of Governor often resided in England while a deputy resided in the colony. During the exploration or pre-colonization period, the territory that became Virginia was directly under the crown. Under the charter granted to the London Company, the early government of Virginia was a company appointed council and president, often spoken of as governor. The first man ever to have the title "governor" was Lord Delaware, appointed in 1609. When the London Company lost its charter in 1624, Virginia became a royal colony, and the governor was appointed by the crown. Those appointed to the position often resided in England and were represented in Virginia by deputies. During this period Virginia still remained a resident council and if the governor or deputy governor was absent from the colony the president of the council served as acting governor. There was a break in royal control after the Civil War in England when Parliament allowed the colony to be almost completely self-governed. From 1652 to 1660 the General Assembly elected four Governors. Royal authority was restored in 1660, and from that date until the American Revolution in 1776 the Governors were appointed by the crown.

After the colony declared independence, a constitution was adopted which provided for the election of the governor by the General Assembly for a one-year term. A governor could be reelected to serve a total of three consecutive years. He could be reelected again only after a break in service. From 1776 to 1852 the governor was chosen by the state legislature. When the office became vacant by death or resignation, the senior member of the Council of the State acted as governor until the Assembly was able to choose a successor. The Constitution of 1851 abolished the Council of State and provided for the popular election of the Governor for a four-year term. With the exception of the Reconstruction period 1865-1869, when provisional governors were designated by federal authorities, the governor has been elected by popular vote since 1852.

Virginia Indian Tribes

Archaeological evidence shows that people have been living in what is now Virginia as far back as 16-22,000 years ago. Virginia's modern day tribes were firmly established in ancestral lands long before the English arrived to settle at Jamestown. These tribes contributed significantly to the newcomers' ability to survive those first few years upon their arrival to present-day Virginia. Over the four hundred years since the first permanent English settlement at Jamestown, Virginia's native people have contributed greatly to the vitality of the Commonwealth of Virginia, and the nation, and continue to do so.

The Commonwealth recognizes 11 Virginia Indian tribes: the Cheroenhaka (Nottoway) Indian Tribe, Chickahominy Indian Tribe, Chickahominy Indians Eastern Division, Mattaponi Indian Tribe, Monacan Indian Nation, Nansemond Indian Tribe, Nottoway Indian Tribe of Virginia, Pamunkey Indian Tribe, Patowomeck Indian Tribe of Virginia, Rappahannock Tribe, and the Upper Mattaponi Indian Tribe.

Seven of these tribes are federally recognized, including the Chickahominy Indians Eastern Division, Chickahominy Indian Tribe, Monacan Indian Nation, Nansemond Indian Nation, Pamunkey Indian Tribe, Rappahannock Tribe, and Upper Mattaponi Indian Tribe.
